

RYAN LONG

Superintendent | Project Coordinator | Field Leader

Powder Springs, GA 30127 • (404) 857-4327 • rlongmbox@gmail.com

PROFESSIONAL SUMMARY

Construction leader with 30 years of field experience — including 16 years as a full turnkey residential remodeling specialist (roofing, siding, windows, gutters, doors, painting, bathrooms, tile, flooring). Career built on a structural steel foundation (ironworker and foreman, 1997–2011) that most roofing contractors don't have. Zero lost-time incidents across crews of 2–30 over three decades.

Personally generated over \$13M in revenue for primary employers. Salesman of the Year — 4 consecutive years at Crist Roofing, 3 consecutive years at Academy Roofing. Led multiple companies to GAF Master Elite and Owens Corning Platinum status. 2,000+ roofs completed in the Atlanta Metro. Operated Guru Roofing & Remodeling as a parallel venture — handling overflow and specialty work referred by primary employers throughout my career. Procore proficient, credits completed. Veteran-owned. Ready day one.
